Four-column accounts are more common than two-column accounts. The purpose the additional columns is to keep running balances of both debits and credits in the four-column account. four-column accounts must show their account number and name, year and month, right at the very top of each page. Four-column accounts are the most convenient.

Columnar Pads at Office Depot OfficeMax

Taking care of your office finances and bookkeeping needs has never been as easy with accounting books, which can be used in place of software or alongside accounting software programs to help you balance company budgets and oversee expenses. Ruled lines and columns help keep your calculations neat and easy to read. Consider using check registers to record transactions made only in cash.
