A Practical Guide to Therapeutic Communication for Health ...

Being fully present with clients can be challenging for health practitioners, given the emotional demands of their intensive work combined with any number of physical and mental distractions, which can make it difficult to establish a healing therapeutic alliance. In this practical guide, author Shari Geller translates empirical research -- including neurophysiological evidence -- into simple exercises that clinicians of all theoretical persuasions can use to set a pre-session foundation for ...

The book is the first in the "Therapeutic Shamanism" series, a thorough, step-by-step guide to shamanic practice and the first to go into such detail and depth: an apprenticeship for modern times. The series consist of guides covering the full spectrum of Therapeutic Shamanism including: Soul Retrieval; Healing Ancestral and Family Wounds; Shamanism, Death and Dying; Plant-Spirit Shamanism; Shamanic Counselling and Psychotherapy.

The Shamanic Journey: A Practical Guide to Therapeutic ...

A uniquely practical guide and widely adopted text, this book shows precisely what therapists can say at key moments to enhance the process of healing and change. Paul Wachtel explains why some communications in therapy are particularly effective, while others that address essentially the same content may actually be countertherapeutic.
