A chapter book is a story book intended for intermediate readers, generally age 7-10. Unlike picture books for younger readers, a chapter book tells the story primarily through prose, rather than pictures. Unlike books for older readers, chapter books contain plentiful illustrations. The name refers to the fact that the stories are usually divided into short chapters, which provide children with opportunities to stop and resume reading if their attention spans are not long enough to finish ...

Chapters from e-books held within the Library's databases must be printed from the platform it is hosted on. The majority of database licenses allow you to: link or embed e-books, print limited amounts for personal research and study. The licences do not allow for: printing and photocopying of e-books to share with others,

For ebooks and ebook chapters accessed from academic research databases, do not include the name of the database in the reference list entry (read more about why on the page ...

### **Book chapters: What to cite**

A chapter is one of the main divisions of a piece of writing of relative length, such as a book of prose, poetry, or law. A chapter book may have multiple chapters and these can be referred to by the things that may be the main topic of that specific chapter. In each case, chapters can be numbered or titled or both. An example of a chapter that has become well known is "Down the Rabbit-Hole", which is the first chapter from Alice's Adventures in Wonderland.
