Click The Magic Of Instant

There is an instant sense of camaraderie. In a word, you "click." From the bestselling authors of Sway, Click is a fascinating psychological investigation of the forces behind what makes us click with certain people, or become fully immersed in whatever activity or situation we're involved in.

Click: The Magic of Instant Connections: Brafman, Ori ...

They say there are benefits to "clicking" with people. First, clicking brings about a unique, almost euphoric state, one that we describe as "magical." Second, it permanently alters the fundamental nature of the relationship. Last and not least recognized, it can serve to elevate the personal abilities of all involved.

Click: The Magic of Instant Connections - And How They Can ...

About the book: Click delves into the miraculous topic of quick-set intimacy and explores what's at work when we're instantly drawn to some person or thing. It examines how and why clicking makes our life more meaningful and outlines the (very ordinary) factors that can make such "magical" connections more likely.
