Wikibooks is a useful resource if you're curious about a subject, but you couldn't reference it in academic work. It's also worth noting that although Wikibooks' editors are sharp-eyed, some less scrupulous contributors may plagiarize copyright-protected work by other authors. Some recipes, for example, appear to be paraphrased from well-known chefs.

A concession stand might look like such an easy business to start up, but like any other business, if not properly run or managed will fail. Before starting, you will need to decide what products you intend to sell, where you will sell these products and if you will need to lease or purchase a trailer for use.
