Enron's Chief Financial Officer (CFO) Andrew Fastow is depicted as voraciously greedy, using front corporations and partnerships, paying himself "management" and "consultant" fees as if he were an outsider, all while cooking Enron's books to show fictitious profits. In the 1980s there were questionable activities at the company, but the bulk of the events depicted in the book occur from 1997 onward and led to Enron's collapse.
