You can browse the library by category (of which there are hundreds), by most popular (which means total download count), by latest (which means date of upload), or by random (which is a great way to find new material to read).

Dj Culture

"DJ Culture" is a song by English synth-pop duo Pet Shop Boys from their first greatest hits album, *Discography: The Complete Singles Collection*. It was released on 14 October 1991 as the album's lead single, peaking at number 13 on the UK Singles Chart. Another version of the song, remixed by The Grid and entitled "Dj culturemix", was also released as a single and reached number 40 on the UK Singles Chart. The B-side was "Music for Boys". According to the singer Neil Tennant, the song concerned

"DJ Culture" is a brilliant techno/trance album. It contains over 70 minutes of pure energy. And it's an example of Germany's ever-growing trance scene. Usually the market for this kind of music is limited to Germany and the Netherlands, since England has its own club scene. But "DJ Culture" is worth to be experienced in overseas, too.

So in the early 1990s, when House music had risen from the underground and hip-hop was at its peak, the PSB typically decided to combine the best both worlds to create a decidedly unique and stylish sound. 'DJ Culture' was the result and perfectly encapsulated the early 90s music scene within four and a half minutes.

The music reflected the culture, the culture reflected the music and nobody can really tell which was the chicken or the egg! Music has a way of being informative, and has a lot of capabilities. When I think of the Neil Young song Ohio – it's informative, but also provides an emotional connection to a specific political and personal experience.
