Clothing of the Middle Ages. The Middle Ages (c. 500 – c. 1500) was, as its name implies, a great age of transition. The Roman Empire (27 b.c.e. – 476 c.e.), which had provided the structures of civilization across Europe for nearly five hundred years, collapsed in 476, and bands of nomadic people who the Romans had called barbarians — Goths, Huns, Vandals, Franks, and others — took ...

### **Costume Designers in Seattle, Washington**

The word costume does derive from the French term, which simply denotes a suit of clothing; the educated classes of Victorians often had fairly extensive training in the French language, and when they used the term in this way, they did so with full understanding of its cultural and linguistic context. However, the idea of costume as normal clothing is no longer in keeping with the way the word has come to be used in twenty-first-century American culture.
