7.2 Idioms and Fixed Expressions | Tierra Educational Center

This is a text-based study of fixed expressions, or idioms. Moon's central argument is that fixed expressions can only be fully understood if they are considered in the context of the texts in which they occur. She examines several thousand fixed expressions and how they are being used in current English.

Amazon.com: Fixed Expressions and Idioms in English: A

...

Unlike idioms, fixed expressions typically offer neither folk wisdom nor an image. "Two heads are better than one" creates a bizarre, yet effective, visual idea of one body that operates with two heads, while the idiom's meaning is that two people working on a problem have a better chance of solving it than just a single thinker.
