Amazon.com: Free Trade Nation: Commerce, Consumption, and ...

One of Britain's defining contributions to the modern world, Free Trade united civil society and commerce and gave birth to consumer power. In this book, Frank Trentmann shows how the doctrine of Free Trade contributed to the growth of a democratic culture in Britain—and how it fell apart. Far from the cold economic doctrine of today, in an earlier battle over globalization Free Trade was a passionately held ideal, central to public life and national identity.
