HP ProLiant ML350 G5 Server - Configuring Memory

Hi, Two method that you can follow to install OS on ML350 G5 server. Method 1: You can either perform OS installation directly by using the OS image & provide the driver for the smart array controller. Method 2: Use HPE Smart Start CD utility to perform assisted OS installation. Link to download SSCD: https://support.hpe.com/hpsc/swd/public/detail?swItemId=MTX_855dfa9721d34696bfcac699bb.

Re: HP Proliant ML350 G5 BIOS. Hi Moocan, You need to need have valid Support entitlement on your server for you to download the BIOS file. Once the Support contract is purchased , it will need to be linked with your HPE passport account. Once that is done you will be able to download the BIOS file. To check what kind of support contract is available for your server, Please contact your reseller or HPE sales team.
