Its All About Speedy Trains | calendar.pridesource

Even a super-authoritarian state like China can't log every single person using its trains, and many people are presumably counted multiple times for different trips. Still, even if no one's buying a season ticket and logging endless individual journeys, 1.5 billion is still a crazy number. Crazier still is that it's only going to get bigger.

10 Fascinating Facts About China's High-Speed Trains ...

PARIS (AP) — The high-speed train whooshing past historic World War I battle zones and through the chateau-speckled Loire Valley carried a delicate cargo: 20 critically ill COVID-19 patients and the machines helping keep them alive. The TGV-turned-mobile-intensive-care-unit is just one piece of France's nationwide mobilization of trains, helicopters, jets and even a warship, deployed to relieve congested hospitals and shuffle hundreds of patients and hundreds more medical personnel in ...
