The use of target language refers to all that learners say, read, hear, write, and view – production and reception of language on the part of learners, educators, and materials. ACTFL recommends that learning take place through the target language for 90% or more of classroom time except in immersion program models where the target language ...

A combination of TL and English promotes confidence, motivation, cultural awareness and grammar. Mostly use of English promotes some grammar development. It is very clear that using a combination of Target Language and English language usage in the classroom will promote progress over using solely Target Language or English.

### **Using Target Language for Progress in the Classroom ...**

In the middle of a chaotic classroom or other stressful situation, it can be hard to find the kind of mindfulness and positive language we hope to model. Here are a few ways we can do that with just some small adjustments to our words. Instead of “Be quiet.” Try “Can you use a softer voice?” School days are full of noise ... so much noise!

### **How to Bring More Positive Language Into Your Classroom**

Strategy 4: Validate home language in the classroom. Some parents resist early childhood programs that promote bilingualism. English-speaking families may think that if teachers are using other languages, they're sacrificing instructional time in English. Research shows, however, that exposure to another language can enrich children's ability ...

Use your finger to draw a line under each word. Tell students they can use this sentence to help them make new sentences. Show a picture of a different animal and call on a volunteer to make a statement using the sentence frame for support. Example: I see a camel. Continue in this way until all students have had a chance to make a statement.

Make the classroom an environment that embraces multilingualism. Let students know that their languages are welcome, and that they are important for learning a second language. To cultivate this, use multilingual posters, books, signs and student work on the walls. React positively to students who ask for help in a different language.
