Legacy: In the stunning prequel to Eon and Eternity, an agent of the masters of the Way—a man-made tunnel through countless dimensions—follows a renegade fanatic and his four thousand acolytes to a remarkable world of flora/fauna hybrids, where he is plunged into the terrible chaos of a raging civil war.

The Eon Series: Legacy, Eon, and Eternity by Greg Bear ...

Of the three books in the trilogy, I liked Eon the best, Legacy perhaps the least (because it took the longest time to get to the point). The aliens in this book are fascinating, the environment layered and real, and I thoroughly enjoyed reading how the characters moved within their cultural context.
