## **Mastering the Semi-Structured Interview and Beyond: From ...**

Conducted conversationally with one respondent at a time, the semi-structured interview (SSI) employs a blend of closed- and open-ended questions, often accompanied by follow-up why or how...

## **(PDF) Conducting Semi-Structured Interviews**

A semi-structured interview is a meeting in which the interviewer doesn't strictly follow a formalized list of questions. Instead, they will ask more open-ended questions. The interviewer uses the job requirements to develop questions and conversation starters. The semi-structured interview format encourages two-way communication.

## **Semi-Structured Interviews: What Are They?**

This chapter underscores the actual making and purpose of the semi-structured interview. The interview incorporates both open-ended and more theoretically driven questions, eliciting data grounded on the experience of the participant as well as data guided by existing constructs in the particular discipline within which one is conducting research.

## **Semi-Structured Interview as a Repertoire of Possibilities ...**

The use of semi-structured interviews requires a certain level of previous study in the research topic area (Wengraf 2001, RWJF 2008, Kelly 2010) because the interview questions are based on previous knowledge.
