### **Supervision and Mentoring in Healthcare | SAGE ...**

Having a mentor or supervisor means being in a level, confidential relationship. You, the client, set the agenda and bring your own professional issues to the session. You are listened to, supported in a non-judgemental environment, and guided towards outcomes which you frame, own, define and take forward. Mentoring & Supervision creates a space where practitioners can explore and reflect on the many issues that arise within our everyday acupuncture practice.
