Communication Disorders in Multicultural Populations

Multicultural education is not a task to be done or even an end goal to be accomplished. Instead, it is an approach to education that aims to include all students, promote learning of other cultures, and teach healthy social skills in a multicultural setting.

Teaching Multicultural Students: Creating Inclusive Classrooms

students coming into the multicultural classroom are at a deficit because they must learn how to navigate unfamiliar people, their cultures, and language. Thus, teachers have the added responsibility of leading students through this unfamiliar territory towards achievement. This requires specialized learning techniques, practice,

Examples of Current Issues in the Multicultural Classroom

The term Hispanic refers to persons of all races whose cultural heritage is tied to the use of the Spanish language and Latino culture. In 1990, over 30% of students in public schools, some 12 million, were from minority groups (Quality Education for Minorities Project, 1990).

Multicultural Education for Exceptional Children. ERIC ...

Helping every student experience meaningful, deep learning is a constant challenge, in no small part because no two learners are alike. To reach students who are particularly challenged -- whether because of their ability to speak English or some other reason -- educators can find a way in by tapping into students' interests and passion.
