Queer International Relations Sovereignty Sexuality

"This long-overdue investigation of queer studies and international relations uncovers key links between sexuality and sovereignty, power and possibility. From the underdeveloped to the stateless, and from the gay patriot to the deviant terrorist, Queer IR reconsiders an impressive terrain of human rights debates and controversies."

You can read Cynthia's introductory post and responses to it here . Dianne Otto holds the Francine V. McNiff Chair in Human Rights Law at Melbourne Law School and was Director of the Institute for International Law and the Humanities (IILAH) 2012-2015.

Queer International Relations (V) | The Disorder Of Things

Weber followed up on these classic Queer IR texts in her recent book Queer International Relations: Sovereignty, Sexuality and the Will to Knowledge, where she explains some of the broader domestic and international sexualized logics at work in both state and nation formation and in the organization of international politics. Through her queer reconsideration of Richard Ashley's work on "statecraft as mancraft" (see Queer IR Methods section above), Weber explains how what she calls ...

Queer International Relations Sovereignty Sexuality

The Disorder of Things is delighted to host a symposium on Cynthia Weber's new book Queer International Relations: Sovereignty, Sexuality and the Will to Knowledge. We kick off the symposium with an inaugural post from Cynthia, followed by replies over the next few days from Joan Cocks, Antke Engel, Cyril Ghosh and Dianne Otto. We will conclude the symposium with a reply from Cynthia.

Queer International Relations: A Symposium | The Disorder ...

Cynthia Weber shows us the crooked, messy, anti-normative - and indeed, queer - underpinnings of the field of International Relations in ways never previously imagined. Queer International Relations places ideas about sovereignty, international norms, development, and sexuality onto the agenda unlike every before.

Queer International Relations - Paperback - Cynthia Weber ...

It traces how the 'homosexual' is conventionally figured—as either a perverse creature whom sovereign nation-states must secure themselves against or as a normal human being whom sovereign nation-states should embrace—to wield sexuality in support of conventional understandings of state sovereignty.

Queer International Relations - Oxford Scholarship

In the agenda-setting book *Queer International Relations*, Weber asks how “sexuality” and “queer” are constituted as domains of international political practice and mobilized so that they bear on questions of state and nation formation, war and peace, and international political economy. How are sovereignty and sexuality entangled in contemporary international politics?

Queer International Relations: Sovereignty, Sexuality, and ...

The book offers a compelling series of insights into the co-constitution of sexuality and sovereignty, woven together artfully to demonstrate ‘how “sovereign man” as “sexualised sovereign man” functions in existing and emerging sexualised understandings of intimate, national, regional, and international relations that both sustain and threaten to suspend traditional understandings of sovereignty’ (p. 198, emphasis in original).

Queer International Relations: sovereignty, sexuality and ...

This agenda-setting book asks how "sexuality" and "queer" are constituted as domains of international political practice and mobilized so that they bear on questions of state and nation formation, war and peace, and international political economy. How are sovereignty and sexuality entangled in contemporary international politics?

Queer international relations : sovereignty, sexuality and ...

It argues that by putting (transnational/global) queer studies scholarship and (queer) IR scholarship in conversation around sexuality and sovereignty, not only do a plethora of sexualized and sovereign national, regional, and international figurations and their stakes for IR and for queer studies come into focus. So, too, do what this chapter calls queer logics of statecraft that confirm, contest, and extend understandings of how the will to knowledge about sexualized sovereign ...

Sovereignty, Sexuality, and the Will to Knowledge - Oxford ...

And since the introduction of queer work in the 1980s, IR scholars have used queer concepts like "performativity" or "crossing" in relation to important issues like sovereignty and security without acknowledging either their queer sources or their queer function. This agenda-setting book asks how "sexuality" and "queer" are constituted as domains of international political practice and mobilized so that they bear on questions of state and nation formation, war and peace, and international ...
