Red Sun: Travels in Naxalite Country. In 1967, Naxalbari, a village in West Bengal, became the centre of a Mao inspired militant peasant uprising guided by firebrand intellectuals. Today, Naxalism is no longer the Che Guevara-style revolution that it was. Spread across 15 of India's 28 states, it is one of the world's biggest, most sophisticated extreme-Left movements, and feeds off the misery and anger of the dispossessed.

Red Sun - Greenwood, IN

When the Sun is high in the sky, the light has to travel a shorter distance through the atmosphere. This means most of the yellow, orange, and red light passes through while a small amount of blue and purple light is scattered and removed from the mix. The Sun, therefore, looks yellow for us here on Earth. Longer Distance to Travel
