File Type PDF Skin In The Game Hidden Asymmetries In Daily Life

As Taleb says, “The symmetry of skin in the game is a simple rule that’s necessary for fairness and justice, and the ultimate BS-buster,” and “Never trust anyone who doesn’t have skin in the game. Without it, fools and crooks will benefit, and their mistakes will never come back to haunt them.”

Skin in the Game: Hidden Asymmetries in Daily Life by ...

While a standalone, Skin in the Game also serves as the fifth volume in the author's Incerto series, which explores the concept of uncertainty and randomness in history and our personal lives and attempts to reconcile how to handle uncertainty in everyday life. In this book, Taleb recognizes the fact that it is only the people who take risks - that is, people with “skin in the game” - that comprehend how the world works better than those spared from risk-taking.
