### Slide And Find Trucks

The Slide and Find series introduced me to yet another innovation in the board book format - integrating a nonfiction text with slide panels that reveal answers. I find it clever and entertaining. This book is all about trucks. To provide an idea of how the book works, the following is an example of the first two-page layout. The spread quizzes children on colors. One side has photographs of four differently colored trucks, and the other page is divided into four rectangles.

This is a stellar example of a great book for the infant truck lover. It's a sturdy board book with plenty of truck content. Tractor, bulldozer, front loader, fire truck, excavator - they're all here, and more, in vivid color. There's a simple question on each spread, and the baby can slide up a little window to see a picture of the answer.
