Swing Low A Life Miriam

In Swing Low: A Life, Miriam Toews imagines herself into her father's head, and brings him back to life as a narrative "I." Her imaginative accomplishment is all the more remarkable in that her father suffered from bipolar disease throughout his life, and eventually his depression became so deep and his mind so confused that that he committed suicide by stepping in front of a train.

Amazon.com: Customer reviews: Swing Low: A Life

For what? Well, for one thing, Miriam writes, she was intent on erasing that bleak phrase of her father's, wanted to prove to herself, at least, just how much Mel did accomplish in his life. All of which is to say - in case you hadn't quite worked it out - that Swing Low is an acutely personal document. It doesn't matter that it's as much a work of imagination as any novel - coming out of the prologue, the simple act of turning the pages feels like a rudeness, an intrusion.
