The idea of a nature corner, table, or in our case, a window ledge, is charming. My children love to help the change the area with the changing of the seasons. They have also made lovely items to go in it with, "Wee Felt Folk", another great book.

Nature Corner by M. Leeuwen

Here are four ways you can mindfully appreciate nature, with examples offered by scientists and researchers: 1) Consider your own connection to nature. "Every time we breathe in, we're breathing in other organisms," says David Haskell, author of *The Forest Unseen* .

The Forest Service and The Nature Conservancy control most of the land along the river now, but the river is threatened by ongoing groundwater pumping in the Little Chino and Big Chino aquifers.

Remember the Verde River | Prescott eNews

Communities come together to celebrate the bounty of summer. There is nothing better than going to a festival buying all the foods that are not good for you, browsing at all the craftsman booths, and admiring the skill of these artisans. During the fall we get to see nature at its very best with the turning of the leaves into a tapestry of colors.
