The Serial Killers: A Study in the Psychology of Violence ...

All serial killers can be categorized according to their motive. In this course, you will be fascinated by twenty serial killers. Some of them are quite infamous - Jack the Ripper, Son of Sam, Ted Bundy - but some are less-known (like Harold Shipman and Aileen Wuornos), but no less compelling. You will learn about their early lives, how they killed their victims, how (and if!) they were caught, and what happened after law enforcement caught up with them.
