Julie Anne Long is a popular author and one whose backlist I've been meaning to dive into for awhile. Before this book, I had only read What I Did For a Duke and really enjoyed it so I had high expectations for this story.

To Love a Thief reminded me a lot of my other favorite Julie Anne Long book, which is the Notorious Countess Confesses. Although just like NCC, there are a few issues that are left hanging or were just resolved too easily in the end of To Love a Thief, I loved the book so much that I hand-waved them and came up with my own explanations.
