I wouldn't recommend doing the pre-assessment until you think you're ready to take the final. There's only 1 version, so if you take it right away and memorize the answers, you'll have nothing to determine if you're ready to take the test. Read the material/do the practice exercises in the course, then take the pre-assessment.

### Are Pre-Assessments similar to Objective assessments? : WGU

Are Objective Assessment questions the same the second time around? So, I passed a pre-assessment pretty solidly without studying, but my mentor suggested I take it a second time just to make sure. With this I studied all of the questions that had missed, and any that I did guess on but

found to be tricky, and scored 100%.
