“Life is like a train ride. The passengers on the train are seemingly going to the same destination as you, but based on their belief in you or their belief that the train will get them to their desired destination they will stay on the ride or they will get off somewhere during the trip. People can and will get off at any stop.

Life is like a journey on a train with its stations, with changes of routes and with accidents! At birth we boarded the train and met our parents, and we believe they will always travel on our side. However, at some station our parents will step down from the train, leaving us on this journey alone. As time goes by, [...]
